

Christmas campaign to collect toys and clothes

Ercros employees have collected 15 bags with clothing and 121 toys

The first solidarity campaign in Ercros to collect clothes and new and used toys carried out voluntarily by the staff of Ercros in Barcelona has collected 15 bags of clothing and 121 toys. The toys have been delivered to Youth Red Cross, as part of its Toys Campaign. The clothing has been donated to Cottolengo, a charitable institution that works with disadvantaged families.

This is the first time that the employees in Barcelona participate in this campaign. The engagement and support of the staff has been exemplary.
