

**The Ercros factory in Flix is collaborating with a donation
in the Caritas solidarity campaign**

The Ercros factory in Flix has made a financial donation to the local Caritas for the campaign to help vulnerable people.

Maria Dolors Rey, president of Caritas-Flix, and Jordi Centelles, priest of the parish of Flix, have visited to the Ercros factory to receive a donation from Jaime Molina, director of the centre. Both have thanked, once again, the company's collaboration in this solidarity campaign.
