

In accordance with the provisions of article 227 of Royal Legislative Decree 4/2015, of October 23, which approves the revised text of the Securities Market Law, Ercros, S.A. (hereinafter “Ercros” or “the Company”), and in relation to relevant events No. 14, on February 11, 2020, No. 9.962, on June 11, 2021 and No. 16.752, on June 10, 2022, by means of this letter, communicates the following:

RELEVANT INFORMATION

On June 10, 2022, the annual general meeting (“AGM”) of the Company approved a reduction of share capital by the amount of EUR 1,311,614.40, through the cancellation of the 4,372,048 own shares held by the Company in treasury, of a nominal value of EUR 0.30, representing 4.33% of the share capital.

The board of directors of the Company held on June 10, 2022, after the AGM, agreed, in accordance with the agreement of the AGM in item three of the agenda, to execute the reduction of share capital. After this transaction, the share capital of Ercros will be fixed at EUR 28,979,756.70, corresponding to 96,599,189 ordinary shares, of a nominal value of EUR 0.30.

The shares to be cancelled were acquired by the Company in the framework of the shareholder remuneration policy for the period 2021-2024. Through the cancellation of the own shares that Ercros owns in treasury, the shareholders automatically will increase their percentage of participation in the share capital.

This capital reduction will be carried out with a charge to voluntary or freely available reserves, making the corresponding provision of a reserve for amortized capital, by an amount equal to the nominal value of the treasury shares effectively cancelled, from which it will only be possible to own by complying with the requirements for reducing the share capital, in accordance with the provisions of article 335 c) of the Capital Companies Act. According to the aforementioned article, the creditors of Ercros will not have the right of opposition foreseen in article 334 of the aforementioned law.

Also, since the shares to be cancelled are owned by the Company at the time of the reduction, this will not imply the return of contributions.

The mandatory capital reduction announcements are published today in the Official Bulletin of the Mercantile Registry (“Borme”) and on the corporate website of Ercros (www.ercros.es). Subsequently, the corresponding public deed of capital reduction and modification of the bylaws and its registration in the Mercantile Registry of Barcelona will be granted, which will be subject to the communication of relevant information.
