

## Ercros participates in the Madrid Invest Forum 2024

Participants of the round table

The manager of the Pharmaceuticals Division of Ercros, Maricarmen Cruzado, has participated in the Madrid Invest Forum 2024, an event organized by the Community of Madrid to consolidate the investment attractiveness of the zone.

Cruzado has been part of a round table in which the main companies of Aranjuez have participated. In her speech, she spoke of the relevance of the chemical industry as a driver of quality employment, a generator of direct and indirect economic resources for local taxes, and a key player in the training of future professionals in the sector.

The forum was attended by the mayor of Aranjuez, the president of the Madrid Federation of Municipalities, the deputy minister of the Presidency and Local Administration and the minister of Tourism of the Community of Madrid.
