

## Great season of the Aranjuez Rhythmic Gymnastics Club sponsored by Ercros

The Aranjuez Rhythmic Gymnastics Club, sponsored by Ercros, has shone this 2025 season with outstanding sporting achievements: 19 medals and two diplomas, including an individual second position in the national qualifying competition and an individual podium in the regional championship in Madrid. This season the club has consolidated its presence among the best rhythmic clubs and has qualified to participate in the Spanish Cup.

The club has a pool of 120 gymnasts, girls and young women between 4 and 20 years old, and is run by former local gymnasts who bring their experience and passion for this sport. Their participation in the league of the Community of Madrid and in national competitions demonstrates both the commitment and the high competitive level of the team.

In addition to sporting successes, the Aranjuez Rhythmic Gymnastics Club is distinguished by promoting fundamental values such as inclusion, respect and perseverance, pillars that are part of its philosophy of work and personal development of gymnasts.
