

The Ercros factory in Sabiñánigo participates in the 6th Vocational Training Job Fair

María Gella and Mariluz Pardo represented Ercros at the event

The Ercros factory in Sabiñánigo participated in the 6th Vocational Training Job Fair, organized by the Pirámide de Huesca Integrated Public Vocational Training Centre (CPIFP).

The fair took place at the educational centre and was attended by 29 other companies, which presented their employment needs to the more than 600 students enrolled in vocational training programs there in various fields.

The students showed great interest in the different career paths that Ercros can offer them. In addition, informational sessions were held in which the various companies explained the jobs they were seeking in detail.
